Greetings,

Thank you for your support last year in our Kenya School Project Funds and Fun Golf Tournament. Thanks to many great sponsors and golfers the Kenya School Project raised funds to start to build a secondary school in the village of Gitare, Kenya.

Last year's event was a lot of fun for serious and casual golfers. The weather threatened to cancel or postpone our event, but then we were blessed with sunshine right about 3:00 pm! There were lots of winners – low scoring teams, special contest winners, door prize winners and 50/50 drawing winners.

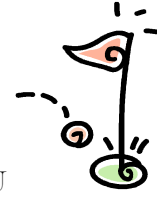

We hope you will again consider supporting our tournament on July 10, 2010 at Brae Burn in Dansville. More information will be forthcoming in February about the levels of sponsorship for this year's tournament. Teams will be assigned on a first come, first serve basis, so start planning on golfing (yes, we know it is only January!) if you had a team last year. We hope you will be back!

Thank you for your consideration in joining us in this funds and fun event.

Respectfully,

Sally Leeson
